

# Konnect® K5™ Coating

*Extreme corrosion protection that has been in a class of its own for years.*

Konnect® K5 has been the benchmark for extreme protection for over four years. This coating has been developed over a long period of time to meet the requirements of the roofing and cladding industry.

- **EXTREME PERFORMANCE**

Industry leading corrosion performance for ISO Category 4 and 5 environments

- **ADDITIONAL RESISTANCE**

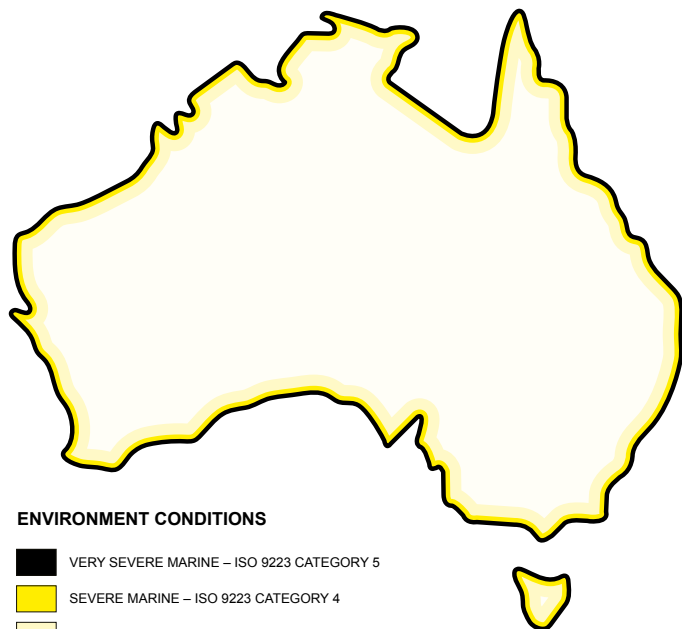

Twice the resistance than traditional Class 4 coatings through the addition of 2 hybrid coatings.

- **WARRANTY**

The comfort of knowing that you are covered by a leading industry warranty.

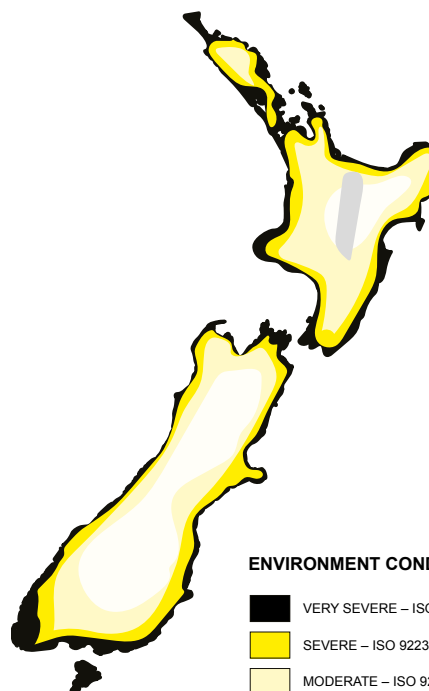

- **RELIABILITY**

The knowledge that you are buying a product that has been sold in one of the world's harshest climates for over 5 years.

**ENVIRONMENT CONDITIONS**

- VERY SEVERE MARINE – ISO 9223 CATEGORY 5
- SEVERE MARINE – ISO 9223 CATEGORY 4
- MILD & MODERATE MARINE – ISO 9223 CATEGORY 3
- LIGHT INDUSTRIAL URBAN – ISO 9223 CATEGORY 2

**ENVIRONMENT CONDITIONS**

- VERY SEVERE – ISO 9223 CATEGORY 5
- SEVERE – ISO 9223 CATEGORY 4
- MODERATE – ISO 9223 CATEGORY 3
- MILD – ISO 9223 CATEGORY 2
- SPECIAL CONDITIONS

# Konnect® Warranty

ENVIRONMENTAL CATEGORY / CONDITIONS	Konnect® K4™ Warranty Period 	Konnect® K5™ Warranty Period 
<p><b>ISO 9223 CATEGORY 5</b></p> <p><b>Very Severe Marine</b> Up to 400M from the beachfront in regions of rough seas and surf beaches.</p> <p><b>Very Severe Industrial</b> Characterised by heavy fall-out and emissions from stacks and strong sulphur.</p>	<b>NOT RECOMMENDED</b>	<b>10 YEARS</b>
<p><b>ISO 9223 CATEGORY 4</b></p> <p><b>Severe Marine</b> Between 400M and 1KM from the coast, in areas with the extent dependant on winds, wave actions and topography. Also within 150M from a salt water inlet or creek.</p> <p><b>Severe Industrial</b> Characterised by fall-out and emissions from stacks and sulphur. Within a 2KM radius of Industrial plants, sewerage treatment facilities or airports</p>	<b>12 YEARS</b>	<b>25 YEARS</b>
	<b>20 YEARS</b>	
<p><b>ISO 9223 CATEGORY 3 MARINE</b></p> <p>Coastal areas with lower salinity, generally between 1KM and 50KM from marine surf but prevailing strong winds may extend this zone further inland. Airborne salt is present but not as a haze.</p>	<b>20 YEARS</b>	<b>30 YEARS</b>
<p><b>ISO 9223 CATEGORY 3 INDUSTRIAL</b></p> <p>Temperate zone, atmospheric environment with medium pollution (SO<sub>2</sub> 5µg/m<sup>3</sup> to 30µg/m<sup>3</sup>) or some effect of chloride, e.g. urban areas, coastal areas with low deposition of chlorides.</p>	<b>25 YEARS</b>	<b>35 YEARS</b>
<p><b>ISO 9223 CATEGORY 2 LIGHT INDUSTRIAL / URBAN</b></p> <p>Temperate zone, atmospheric environment with low pollution (SO<sub>2</sub>&lt;5µg/m<sup>3</sup>) e.g. rural areas, small towns, dry or cold zone, atmospheric environment with short time of wetness, e.g. deserts, subarctic areas.</p>	<b>30 YEARS</b>	<b>40 YEARS</b>
<p><b>ISO 9223 CATEGORY 2 MILD URBAN</b></p> <p>Away from all above environments, generally dry, rural areas well remote from the coast or sources of pollution</p>	<b>40 YEARS</b>	<b>40 YEARS</b>

# Konnect® Warranty

## **UNITITE® T17 TIMBER STEELTITE®**

Konnect®, a business division of Coventry Group Ltd. warrants their K4™ and K5™ plated T17 Timber, Steeltite® and Unitite® range of roofing and cladding screws against the loss of structural integrity due to the effects of corrosion or metallurgical defects.

Under this warranty Coventry Group Ltd. undertakes to supply equivalent screws at no cost, to replace any defective screws provided that:

1. The screws are used with compatible roofing and substrate materials.
2. The screws have been installed correctly.
3. The screws are installed in an environment suitable for these Roofing Screws (refer attachment).
4. The screws must not have been tampered with or re-used after initial installation.
5. Screws must be head marked with the K4™ or K5™ head mark.

**The use of Impact-Type Guns is not recommended and may void the warranty if the head of the screws is damaged during installation.**

Any claim must be notified in writing and is conditional upon inspection by an authorised Konnect representative before any action is taken. The decision of the Konnect inspector is conclusive of the type of environment of the structure.

This warranty is not transferable from the original owner.

No representative of Coventry Group Ltd. has the authority to make any representations or promises except as stated in this warranty.

Coventry Group Ltd. shall not be liable in any way whatsoever for any indirect or consequential damage, personal liability or other damage including but not limited to loss or loss of profit.

This warranty covers the structural performance of the screws from the date of installation. Not the aesthetic performance of the coatings.

**This warranty is effective from 1 July 2016**
